

## BE A VOICE FOR **COMPASSION**

*"When I was 18 and off to college for the first time, I had an abortion. No one knows about my secret — my heartbreaking secret. I want the people at church to know me — really know me; but if I tell them what I did, will they still love me? Or will I become 'Ashley-who-got-pregnant-and-aborted-her-baby'?"*

The Lord wants to comfort and heal Ashley. But a big part of that involves His people — people like you.

Will you be a voice for compassion?
