

Benevolent Resources for PRCs and Maternity Homes

Good news! Now PRCs and Maternity Homes are able to order the specific booklets they want instead of ordering in pre-determined packs! However, until we are able to implement an online ordering process for benevolent resources, in order to allow you to order by title, we have had to somewhat limit the different titles available to make the order form manageable for our ordering department.

In order to make sure we are offering you the best that Focus has to offer, we are re-evaluating the parenting and marriage resources with our experts here at Focus and soon we will reintroduce a new-and-improved selection of booklets for these topics.

However you can purchase most of those “missing” titles in our online store to use at your center – they just won’t be on a benevolent basis for now. Go to www.family.org and click on the tab that says “Books, CDs, DVDs and more” to search for the additional titles you need.

We always welcome your comments and feedback on these resources and you can contact us at lifematters@family.org.

PRCs receive \$525 in benevolent resources every six months, and Maternity Homes receive \$525 in resources once a year. If you are already approved to receive these resources, complete the order form below and **mail** it to:

NOTE: If you need to order resources above and beyond what you receive benevolently, you can order additional titles and quantities at www.family.org in the online resource center. Questions about the ordering process can be directed to 1-800-A-FAMILY. If you have any feedback about the benevolent resources or ordering process, we'd love to hear from you – just send an email to lifematters@family.org.

From the time we process your request, please allow 7 to 10 business days for delivery of resources in the continental United States. All products may not be available outside of North America. Prices are suggested donations. For U.S. donors, the IRS permits you to deduct the amount you give to FOF that goes beyond the value of materials we send you. To help determine the tax-deductible portion of your gift, we'll show on your receipt the fair market value, along with the total gift amount. Please note that suggested donations do not necessarily reflect the fair market values. The availability of all resources offered in this form is subject to change at any time.
